

PRESS RELEASE

ALCOGAL has a proven record of complete collaboration with our regulator and competent authorities upon their request of relevant information. This has always been, and will continue to be, the case because we have nothing to hide. We will continue to collaborate openly with the Superintendency of Non-Financial Subjects, the Attorney General's Office or any other competent authority.

As a law firm operating for more than 35 years, we are primarily interested in shedding light on the misleading assumptions, inaccuracies and false information that has been published by the International Consortium of Investigative Journalists (ICIJ).
